

The magic France

I got to know my new close friend – Chloe. Children from England were very brave and nice. Children from Bulgaria were very nice and spoke English to me a lot!

COMENIUS

The food was very good.

The logo for Comenius, featuring a stylized graphic of five overlapping arches in blue, green, yellow, orange, and red, positioned above the word "comenius" in a lowercase, sans-serif font.

It was fun in Bulgaria.

On the first day there was a ceremony and we played bagpipes.

On the second day we were in the caves. It was cold in the caves!

We visited a music school. I liked the costumes.

I liked our free time. I bought a lot souvenirs for my family.
